

RR40 SOLAS TARIFA

This model is specifically designed and manufactured to carry out rescue operations in all sea conditions, from a flat calm to a hurricane. Complying to and certified "SOLAS ([Safety of Life At Sea](#)) 1974". Regulations as well as the subsequent amendments which includes the Directive on Marine Equipment 96/98/CE. We also keep abreast of any amendments to the legislation governing SOLAS Recue boats and for this reason the rescue boat meets the "[IMO Res. MSC.218 \(82\)](#)" and the "[IMO Res. MSC. 226 \(82\)](#)" which came in to effect in July 2008.

Not only the boat and engine are certified SOLAS as a package but also the individual raw materials are certified SOLAS, e.g. resins, tube materials, and safety equipment. Under deck space is provided for the fitting of a 100 liter fuel tank.
